Governor Allan Shivers is shown signing a document officially proclaiming the week of Oct. 4-9 "Texas Farm Bureau Organization Week." Looking on are (left) Texas Farm Bureau President J. Walter Hammond of Tye; and (right) Texas Farm Bureau District 8 Director S. W. McClaren of Cameron. During the special "Week" thousands of volunteer workers will conduct an intensive state-wide membership drive to enlist Texas farmers and ranchers in the independent state farm organization. Goal for the drive is 63,750. Total membership in 1953 was 53,195.

October 4-9 Proclaimed "Texas Farm Bureau Organization Week"

Governor Allan Shivers has proclaimed the week of October 4-9 "Texas Farm Bureau Organization Week."

During that period, thousands of voluntary workers will conduct an intensive state-wide membership drive in an effort to enlist Texas farmers and ranchers in the independent state farm organization. The official goal for 1954 is 63,750. The total membership last year was 53,195 farm families.

In his official proclamation, the Governor paid tribute to agriculture, the state's largest industry.

"Farming and ranching activities afford a major source of income for the inhabitants of the State of Texas," the proclamation read.

"The farmers and ranchers of Texas, through their various organizations, have worked for recognition, representation and economic equality by democratic procedures."

"These groups recognize the necessity and supreme importance of having an educated, prosperous and organized agricultural husbandry in our State."

"Therefore I, as Governor of the State of Texas, do hereby request the observance throughout the State of October 4 through 9 1954, as TEXAS FARM BUREAU ORGANIZATION WEEK and urge that our citizens do cooperate in the recognition and observance of this week in an effort to publicize this important phase of our Texas life."

Johnnie Gelner Wins First With Holstein Heifer

Only two Future Farmer boys showed stock in the Temple Fair this week, according to LeRoy Thompson, their sponsor.

Johnnie Gilner won a blue ribbon with his Holstein heifer; a third place for his pen of three barrows; third place in the Gilt division; and fourth place in the Gilt.

Robert Matyastik showed his Angus steer.

All of the FFA boys attended the fair on a field trip Thursday to watch the judging.

TRADE IN CAMERON

Mrs. Katherine Maxwell, Local Telephone Operator Receives Award

A Blue Ribbon poster, one of the highest awards for meritorious service that can be presented an individual telephone operator by Southwestern Bell Telephone Company was received by Mrs. Katherine Maxwell, local operator, this week.

The Blue Ribbon poster was awarded Mrs. Maxwell upon a commendation letter relative to her work by W. N. Burns, of the Marek-Burns Funeral Home here in Cameron.

In his letter to company officials Mr. Burns wrote, "We received a call saying that an elderly lady who lives alone in Cameron had fallen and needed an ambulance. This lady was so sick that when she tried to get out of bed she fell and knocked over the telephone table. The telephone fell beside her and she was unable to get up."

"The night operator here was Mrs. Katherine Maxwell. When no one gave her a number after the telephone fell, she immediately started to investigate and could evidently hear the lady on the floor next to the telephone. Mrs. Maxwell has not lived in Cameron long and how she knew who the neighbors were to call is still a mystery to me. But when we arrived, they were all around. The lady is now in the hospital."

Mrs. Lesikar, 91 Funeral Rites Set For Wednesday

Mrs. Vince Lesikar, Sr., 91 years of age, died at her home at 1202 West First Street in Cameron at 8:45 p. m. Monday, September 27. She was born on September 22, 1863 in Czechoslovakia, and was a member of the SPJST Lodge of Buckholts.

Funeral services were held from the Marek-Burns Funeral chapel at 3 p. m. Wednesday, September 29 with Reverend A. G. Beseda of the Caldwell Czech-Moravian Church officiating.

Survivors are her two sons, Vince E. Lesikar of Cameron and Will Lesikar of Buckholts; two daughters, Miss Frances Lesikar of Buckholts and Miss Mary Lesikar of Cameron; one brother, Joe Resnick of Temple, five grandchildren and nine great-grandchildren.

DAV "Forget-Me-Not" Day Sale Slated For October 2

"Now is the time when gratitude means something." This slogan which has been selected as the theme for the Disabled American Veterans Forget-Me-Not day coming up October 2 will show the boys like former Corporal Alfred A. Simecek pictured above with his daughter Janice, that the citizens of Milam County have not forgotten their exploits during the past war.

Cpl. Simecek was given a hero's welcome when he returned to Cameron after suffering 33 months of torture in a Jap prison camp during World War II.

He was captured at the Fortress of Corregidor and suffered all the injustices of war before he was liberated on February 4, 1945.

While in the prison camp he and his companions were racked with pain, disease and starvation. He weighed 200 upon capture and 105 when he was released.

Many boys like Cpl. Simecek, who have in some way been disabled while fighting to uphold the ideals of America and keep the home-front invincible will benefit from the proceeds of Forget-Me-Not Day.

Willie T. Law, father of Mrs. A. B. Franklin of Cameron died Friday after a long illness.

Funeral services were held Saturday at the Baptist Church in Bartlett with interment in the Reed Lake Cemetery.

Cameron Gets Only 9.13 Rainfall In 1954

Rainfall in the Cameron area is falling far short of the amount of precipitation on last years records. For the first nine months of this year only 9.13 inches have fallen while last year, during the entire 12 month period, the rainfall reached 42.12.

Statewide average precipitation for August was 72 percent of normal. Although thunderstorms bounced about most of the state and dumped helpful rains on scattered localities Cameron got only the black clouds and the hope of drouth relief, but no actual precipitation.

Yoemen Upset By Hornets 13-9

The Caldwell Hornets turned over the dope bucket and surprised a large crowd at the local stadium Friday night by stopping cold the Cameron Yoemen. The non-conference game was taken by Caldwell, 13-9.

The teams battled on a fairly even basis with Caldwell making good the bad leaks of the Yoemen. A fumble on the Yoe 30 yard line, and fifteen yard penalties against Cameron set up the Hornets two touchdowns late in the first quarter and early in the fourth quarter.

The Yoemen took the opening kickoff and after four plays Caldwell took over. The Hornets were bogged down and after nine plays they were forced to kick to the Yoes. Joe Michalka took the punt, and on the next play from scrimmage Joe Lee Heitman fumbled the ball where the Hornets Herbert Fedora covered the ball.

From that point on Caldwell began their 30 yard touchdown march. It took eight plays for the Caldwell whiz Don Schigut to plow through the Yoe line from the 1 yard line and make the TD. The point after touchdown was wide, and the score remained 6-0 with about one minute left in the first quarter.

Following the Caldwell TD, both teams had the ball twice, but weren't able to make enough first

Volunteer Firemen To Be Hosts To 600 At October 3 Convention

Cameron Volunteer Firemen will be hosts to over 600 visiting firemen from about 35 towns in Central Texas Sunday, October 3, at the Firemans semi-annual convention.

Registration will start at 8 a. m. Sunday and continue through 12 noon. The business portion of the convention will be called to order at 10 a. m. at the Knights of Columbus Hall by V. F. Norris of Thorndale, who is president of the Central Texas Volunteer Firemen's Association.

Mayor O. B. Horstmann will give the welcoming address with Herbert Garubec of Granger, second vice-president, making the response.

Tiny Henrietta's Swine Awarded Top Fair Honors

Nine year old Henrietta Richter of Route 1, Cameron won the grand championship honors in the Duroc show with her pen of three after winning the champions banner with a Duroc barrow in the Junior Swine division at the Cen-Tex Fair in Temple Wednesday.

Henrietta is the daughter of Mr. and Mrs. Henry Richter and is a member of the Milam County 4-H Club.

Another Milam youth winning honors at the fair was 16 year old Clayton Coker of Moody who carried off the grand champion barrow award and the champion flag in the open breed division. Both awards were won by Berkshires.

Mrs. B. Gregory Funeral Rites 4 P. M. Thursday

Mrs. Bill Gregory, 41 years of age, died at her home here in Cameron Wednesday, September 29. She was born on September 2, 1913 in Burlington, Texas and had been a resident of Cameron for 15 years.

Funeral services will be held from the Marek-Burns funeral chapel Thursday, September 30 at 4 p. m. with Reverend Aubrey Russell, pastor of the First Baptist church officiating.

Interment will be in the Oakhill cemetery.

She is survived by her husband, W. T. Gregory of Cameron; her father, Robert Wagner of Houston; her mother Mrs. Mary Ann Brown of Cameron; one son, Charles William Gregory; her daughter Billie Morene Gregory; both of Cameron; two sisters, Mrs. Furmon Shuffield of Cameron and Mrs. Jerry Harbuz of Sharp.

Mrs. L. Turner Funeral Is Set

Mrs. Lester Turner, 64, former resident of this area, died in the home of her son, Harold C. Turner at San Antonio Thursday, September 23.

Funeral services were held from the Phillips and Luckey Chapel in Rockdale with Reverend Roy C. Turner, pastor of the Rockdale First Christian Church, officiating, at 3 p. m. Saturday, Sept. 25.

Mrs. Turner, the daughter of the late J. J. Stutts, was the wife of the late Lester Turner who was manager of the Cotton Oil Mill in Thorndale prior to his death.

She is survived by one daughter, Mrs. Harry Gregory, of San Antonio, her son Harold, one brother Arthur Stutts, also of San Antonio.

Interment was made in the Oak Lawn Cemetery under the direction of the Phillips-Luckey Funeral Home.

J. R. Pemberton, 77, Dies Sunday

James R. Pemberton, 77, died September 26 at his home on South College Street in Cameron from a heart attack.

He was born December 19, 1876 in Bastrop, Texas.

Survivors are his wife, Mrs. Nancy Pemberton of Fort Worth; seven sons, J. C. Pemberton of New Mexico; T. J. Pemberton of Burleson, J. J. Pemberton of Los Angeles, Calif.; R. F. Pemberton of Alvarado, O. R. Pemberton and James R. Pemberton of Fort Worth and L. D. Pemberton who is with the U. S. Army in Korea.

Four daughters, Mrs. Martha Drago, Mrs. Edna O'Gwynn, Mrs. Ruby Bettes, all of Fort Worth, and Mrs. Christine White of Grand Prairie; one sister, Mrs. Dot Fuller of Hamlin; 27 grandchildren and nine great-grandchildren.

Alfred A. Simecek, former Corporal with the U. S. Army, and his daughter Janice, nine year old polio victim. Alfred, a life-long resident of Cameron underwent 33 months of torture in a Jap prison camp in World War II. His daughter Janice suffered an attack of poliomyelitis when she was two years old and is constantly improving through physical therapy. Both are working toward a record sell-out of Forget-Me-Nots during the Disabled American Veterans Drive on October 2.

Farm, Ranch and Home News in a Nutshell

CASTOR BEANS--

The outlook on the Castor Bean situation locally is not good. Last year was considered to be a poor year and yet the yield was from 300 to 400 pounds per acre, this year the total yield dropped to about 100 pounds or less per acre.

Robert Glenn, of the local ASC office, stated that although the year was discouraging, due primarily to the drouth, he feels sure

RADIO and TELEVISION SERVICE. ALL MAKES. PARMA RADIO SERVICE.

that next years program will be more encouraging to the farmers.

COTTON MEASUREMENT--

ASC officials announced today that the cotton measurement program started earlier in the year, has been completed. There were from 17 to 1800 farmers in this area farming cotton this year with 60,000 acres in production in comparison with 85,000 in production last year. Although the quota program has not yet been proclaimed by the secretary of Agriculture, ASC authorities stated that they are certain the quotas will be in

effect again next year.

STATE FAIRS--

Agricultural fairs attract six times major-league baseball's annual gate. The Texas State Fair alone drew 2,380,000 visitors in 16 days, says the National Geographic Society.

SUGAR --

Sugar, one of man's basic food made big news twice within the last year: Scientists learned how to duplicate it, and the world agreed on how to trade it.

Yet so commonplace is sugar that even such headlines are largely lost. A natural bounty knows and sought for thousands of years, it has been grown and produced in present form only in comparatively recent times. Now sugar ranks as the most abundant pure chemical compound that man takes from nature, the National Geographic Society says.

Sugar is essential to life on earth. Every green leaf touched by sunlight performs the miracle of turning water from the ground and carbon dioxide from the air into sugar and oxygen. Any animal without sugar in its blood would shortly drop dead.

DAIRY CATTLE--

Herd records form the foundation for sound dairy management.

Records are the dairyman's 'road map', says R. E. Bursleson, extension dairy husbandman. They tell him where to go and point out danger signs and possible detours.

Concentrate feeds, the most expensive in a cow's ration, should be controlled, or fed according to may be under-fed, over-fed, instead of properly fed. Chances are two to one against being correct. Records on milk production will eliminate such guess work.

Are herd replacements out of the best producing cows? There is danger in being oversold on the statement "the bull is half the herd," says Bursleson. As far as each heifer is concerned, one-half of her inheritance came from her dam. Here again, without records, the dairyman is guessing at one-half of her inheritance, regardless of the bull.

State Draft Quota Set At 1,062 Texans

The state draft quota for November calls for the induction of 1,062 Texans into the armed forces. Brigadier General Paul L. Wakefield, state Selective Service director, said Tuesday.

This compares with an October quota of 1,122, previously announced. Both the November and the October quotas are Texas's share of a national call for 23,000 men.

A total of 2,565 men are also scheduled for combined physical and mental examinations in November General Wakefield said. This compares with an October call for 2,630 previously announced.

Local board quotas for the November induction call and November physical-mental examinations are scheduled to be mailed to the local boards by state Selective Service headquarters the last week in September.

Instructions received with the November call for induction of men limit inductions to men 20 years old or older, with drafting of men below that age being authorized only if the call cannot be filled with older men.

Complete induction figures for the month of August at state Selective Service headquarters show that 26 out of every 100 men inducted during that month were below age 20, but all were volunteers for induction.

Any volunteers at a local board move to the head of the list for induction, with other men going in by order of age, the oldest first.

A total of 70,113 Texans were inducted into military service during

the period of the conflict in Korea, and 14,570 have been inducted since signing of the truce in Korea, up to and including August 1954.

W. Ochterbeck Made Lone Star Gas Engineer

W. H. Ochterbeck of Dallas has been appointed distribution engineer for Lone Star Gas Company's Waco division to take office Oct. 1, according to an announcement by A. P. Rowland of Waco, division superintendent. He succeeds William R. Porter Rield, who has been

named manager of the industrial and commercial gas sales department for Lone Star's Fort Worth division, Rowland said.

Ochterbeck's new duties, Rowland stated, will include supervision of gas distribution facilities under Lone Star's gas service and maintenance expansion program. His territory includes Waco and more than 100 other towns making up the 18 districts in the gas company's Waco division. He will have headquarters in Waco.

Baptist Leaders To Attend MHB Convocation

Baptist leaders from over the state will be in Belton October 1 to attend the fall convocation at Mary Hardin-Baylor college, which marks the 110th opening of the school.

The formal opening program will be dedicated to Dr. A. C. Gettys, recently retired acting president. Dr. Gettys will receive the doctor of humane letters degree - the first honorary degree ever conferred by the college. A Bible instructor for some 30 years, Dr. Gettys was called out of retirement in of the college.

Speaker for the occasion will be Dr. E. S. James, of Dallas, editor of the Baptist Standard and former pastor of the First Baptist church at Vernon. Dr. J. Ralph Grant, pastor of the First Baptist church of Lubbock, will read the citation.

Dr. Gettys will be ushered by Mrs. Charles Griffin of Waco and Mrs. Hope House Walker of Houston, alumnae of the college. He will be hooded by Dr. Eleanor James of Denton and Dr. Leta Norvell Boswell of Canyon, also Mary Hardin-Baylor alumnae.

Dr. Arthur Tyson, new president of the college, and Dr. Gettys will be honored with an informal reception the evening of Sept. 30 with the city of Belton, Belton Alumnae Club and the Belton chamber of commerce as hosts.

Assuming his duties as president of Mary Hardin-Baylor on Sept. 1, Dr. Tyson came to the college from East Texas Baptist College, Marshall. Dr. and Mrs. Gettys now live in Mineral Wells. Dr. Tyson has announced that Dr. Gettys will continue his connections with Mary Hardin-Baylor as a field representative in the West Texas area.

LITTLE RIVER PHILOSOPHER COMES OUT IN FAVOR OF SUBSTITUTING WORK CONTROL FOR CROP CONTROL

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River has an odd idea this week, but it's too impractical for consideration.

Dear editor:

It's a peculiar thing, but when some people start out to do a job, they figure out the most complicated, round-about way to get it done.

Take the problem of crop surpluses.

Because me and a lot of other farmers have done such a magnificent job, this country has more stuff than it knows what to do with except send it to Europe, and naturally this has depressed the market, which calls for price supports, which I'm in favor of, which in turn calls for crop controls, which is all right too.

But there's where the experts bog down.

Confronted with the job of controlling production, what do they do? They work out a complicated system of acreage controls, with long rows of figures showing how many acres of cotton or corn or maize or whatnot a farmer had in the past few years. From this they calculate how much production this country needs, then divide it by the number of acres or something there is available, and come up with a percentage figure which trickles down to the county level and is then divided among the individual farmers.

Understand, I haven't got anything against this system, but I have been thinkin over the problem and it seems to me the experts are goin about it the hard way.

Instead of acreage controls, why not substitute work control? It's not crop limitation this country needs but hour limitation.

Instead of farmers votin on how many acres they're gonna plant next year, why not vote on how many hours they're gonna work? After all, the government's problem is how much is produced, not how much land is plowed, and my system would eliminate complicated figuring and land-measuring. All they'd have to do is figure up how many bales of cotton say the that by the number of farmers interested in growin the stuff, and find out how many hours every farmer in the South could give to raising cotton.

By doin the same thing for all the other crops, it would result in a work chart for every farmer, and all he'd have to do is tack it on the wall and check off his hours and when he reached his quota, knock off and go fishing.

I guarantee this will wipe out the surplus and I for one can be depended on not to work one minute over my quota.

country needs next year, multiply that by the number of hours it takes to produce a bale, divide at the high school office. They will!

If you don't think this system is any good, let's see you figure out one that's better.

Yours faithfully,
J. A.

Outcome Of All 22AA Teams Friday Night

The Georgetown Eagles crushed a once-powerful Granger team in Granger Friday night 51-19.

Georgetown took an early lead in the game when they tallied two quick touchdowns in the first quarter.

Featuring sparkling runs by Ken Beerwinkle and Jimmy Mecom, the Belton Tigers upset a highly-touted Lampasas team 26-7 in Belton Friday night.

Beerwinkle broke into a 61 yard run in the fourth period which set up a touchdown shortly after the quarter opened, and Mecom got a touchdown at the end of a 71 yard dash moments later.

Besides running up the score in the second half, the Tigers limited Lampasas to only 39 yards on the ground in the second half.

The Killeen Kangaroos made it third straight Friday night as they piled up 19 first downs and 385 yards on the ground to beat McGregor 27-6.

Capitalizing on two recovered fumbles and an intercepted pass, Rockdale smothered Smithville in Rockdale Friday night 44-7.

Girl Scout Board Plans Annual Meeting

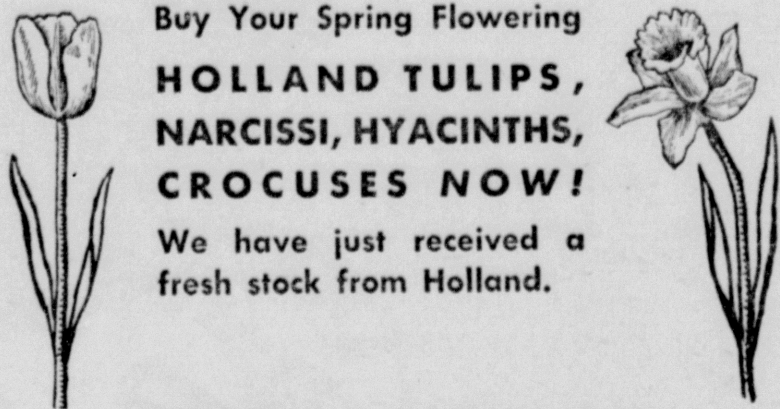

The Cameron Girl Scout Board met Thursday afternoon at 2:30 at the Presbyterian Church with

eight members present. Rev. John Solomon, president, conducted the business meeting.

Plans for the annual meeting which will be held the third Thursday in October were made. The annual meeting is for all registered adult Girl Scout workers. At this meeting members of the Girl Scout Board will be elected.

A report was made by Mrs. Lester Williams on a recent area meeting which she attended in Austin. This meeting was a report on camping activities for the past summer at Camp Tex-Lake. Camp Tex-Lake, located on Lake Travis, is the established area camp which is available to all Girl Scouts in this area.

It was reported that a Regional Girl Scout meeting for all adult Girl Scout workers and anyone interested in Scouting will be held November 10, 11 and 12 in Austin at the Driscoll Hotel.

EDITORIAL

There are times when a disabled veteran may need emergency aid. And there are times, too, when widows and children and other dependents of disabled veterans are confronted with some dire need.

The Government is committed to aid the wartime handicapped. But the processes of governmental functions oftentimes are slow; in some instances the disabled veteran himself has waited too long to seek the compensation which is rightfully his; other times a sudden illness may mean that he has to quit a job.

This is where the Disabled American Veterans comes in. The day composed of disabled veterans, is dedicated to the cause of the disabled. Those, who through sick-

ness or wounds, who do not belong to the DAV are entitled to the benefits offered by the organization -- whether they are members or not.

Free and voluntary service of this kind needs to be financed. The Disabled American Veterans raises money each year through a Forget-Me-Not Campaign. Each city and community has its own campaign and the money collected is used in that city or community to relieve the distress of the disabled.

Everyone should feel proud to wear a Forget-Me-Not, a blue flower of remembrance on Forget-Me-Not Day. It is a decoration, not only for the lapel - but also for the heart.

New and Present Boy Scouts Plan Fall Meeting

Prospective boy scout Troop 83 members and their fathers will meet at the Scout Hut in Wilson-Ledbetter Park Thursday evening at 7 p. m. to combine their first fall meeting with a weiner roast. All present and prospective members of the troop have been urged to attend and enjoy the fellowship of this meeting, and bring all the weinies they can eat.

A concentrated drive for new members will get underway next

week and all boys between the ages of eleven and thirteen who are interested in becoming a member of the Troop are asked to be present at this meeting or contact Allen Dodson, Scoutmaster, Dwight Moody or Dr. John Bryson, assistants.

This troop, sponsored by the Methodist Mens Club of Cameron, enjoyed a weeks camping trip at Camp Tahuaya during the week of

June 27 through July 3 of this year. They will attend camp again during the same period in 1955.

that the main reason for the meeting was to let everyone know that electric eyes will be installed at the local alleys for the benefit of league players. He stated that the eyes must prove self sustaining and since the leagues will receive the benefits they must also help finance the project. A minimum fee of five cents for each three lines bowled was set by the attending bowling league members, which was in accordance with Anderle's suggestion.

Other phases of the League procedure was discussed after which those desiring to, bowled.

Homemake Girls Assisted At Blood Bank

Future Homemakers of America are getting a diversified education. Besides receiving a working knowledge of what goes on in a household they are also receiving other training which will be found useful in later life.

They recently helped at the Blood Bank, learning the competence and feeling of well being that goes with social work. They helped prepare the drinks and kept the dishes washed.

The two girls who worked all day were Marye Horstmann and Wilma Kruecke. Other girls who helped on their off period were Colleen Damron, Myrna Jackson, Peggy Burke, Yvonne Gill and Maureen Carlyle.

NOTICE OF ELECTION FOR THE RE-ALLOCATION OF COUNTY TAXES
THE STATE OF TEXAS
COUNTY OF MILAM

On this the 13th day of September, A. D. 1954, the Commissioners' Court of Milam County, Texas, convened in regular session, at the regular meeting place thereof in the Courthouse at Cameron, Texas, with the following members of the Court present, to-wit:

CHARLES C. SMITH, JR.,
County Judge,

C. S. RANEY, Commissioner of Precinct No. 1,
W. W. MARKHAM, Commissioner of Precinct No. 2,
BYRON NEAL, Commissioner of Precinct No. 3,
and the following members absent: MRS. T. F. LOCKLIN, Commissioner of Precinct No. 4, and HOMER NABOURS, County Clerk, and proclamation having been duly made and the County Judge having announced that a quorum was present, the following occurred:
Commissioner W. W. Markham

introduced an Order and moved its adoption. The motion was seconded by Commissioner C. S. Raney. The motion, carrying with it the adoption of the Order, prevailed by the following vote:
AYES: Commissioners C. S. Raney, W. W. Markham and Byron Neal.
... NOES: None.
The Order is as follows:

WHEREAS, at the General Election held throughout the State of Texas on November 7, 1944, the qualified electors of the State, voting on the proposition, approved the amendment to Section 9 of Article 8, of the Texas Constitution, which amendment provides that the Commissioners' Court in any county may re-allocate the county tax levies authorized in said Section 9 of Article 8 by changing the rates provided for any of the purposes authorized in said Section by either increasing or decreasing the same, but in no event shall the total of such taxes exceed Eighty (80) cents on the One Hundred Dollars' valuation for any one year, provided that before the Commissioners' Court may make such re-allocations and changes in such levies the same shall be submitted to the qualified property taxpayers voters of such county at a general or special election; and in event such re-allocations and changes are approved by a majority of the qualified property taxpayers voters of any such county, such re-allocations and changes shall remain in force and effect for a period of six (6) years from the date of the election at which same shall have been approved, unless the same again shall have been changed by a

majority of the qualified property taxpayers voters of such county, voting on the proposition; and WHEREAS, the Commissioners' Court of Milam County, Texas, deems it advisable and to the best interest of said County to re-allocate the county taxes authorized to be levied annually by Section 9, Article 8, of the Constitution, by changing the rates in respect to certain county taxes as herein provided;

THEREFORE, be it ordered by the Commissioners' Court of Milam County Texas:

That a Special Election be held in said County on the 2nd day of November 1954, which is not less than thirty (30) days from the date of the adoption of this Order, at which election the following proposition shall be submitted to the qualified taxpayers voters, who own taxable property in said County and who have duly rendered the same for taxation, for their action thereupon: "Shall the Commissioners' Court of Milam County, Texas, be authorized to levy and collect in each year for a period of six (6) years from the date of said election county taxes as follows:

Not exceeding Twenty-Eight Cents (28 cents) on the \$100.00 valuation, in any one year, for County purposes;
Not exceeding Forty Cents (40 cents) on the \$100.00 valuation, in any one year, for roads and bridges;
Not exceeding Two Cents (02 cents) on the \$100.00 valuation, in any one year, to supplement the jury fund of the County; and
Not exceeding Five Cents (05 cents) on the \$100.00 valuation, in any one year, for the erection of public buildings and other permanent improvements.

In the event that the annual levy of a tax not exceeding fifteen (15 cents) cents on the one hundred dollars' valuation for the further maintenance of the public roads of said County has heretofore been, or shall hereafter be, authorized by a majority of the qualified property taxpayers voters of the County, voting at an election held for that purpose, nothing herein shall be construed as rescinding or in any manner affecting the power and authority of the commissioner's court to levy and to continue to levy said tax.

The said election shall be held under the provisions of the Constitution and laws of the State of Texas, particularly amended Section 9, of Article 8, of the Constitution, and Section 3a, Article 6, of the Constitution and all persons who are legally qualified voters of said County and who are resident property taxpayers who own taxable property in said County and who have duly rendered the same for taxation, shall be entitled to vote at said election.

The ballots for said election shall have written or printed thereon the following:

"FOR RE-ALLOCATION OF COUNTY TAXES."
"AGAINST RE-ALLOCATION OF COUNTY TAXES."

Each voter shall mark out with black ink or black pencil one of

the above expressions, thus leaving the other as indicating his or her vote.

The polling places and presiding officers of said election shall be respectively as follows:

Bob Johnson
TV Announcer
Talks To Rotary

Bob Johnston, top-notch announcer over KCEN-TV, and former graduate from Yoe High School, was guest speaker at the Rotary Club's regular meeting in the Milam Coffee Shop Wednesday noon.

Many interesting aspects of the television world were brought out by Johnston in his after dinner address. He told of the immense amount of capital which must be spent to begin TV station operations. For instance, one Camera projector, recently costing \$20,000, can now be had for \$18,000. As an after-thought he added that NBC Station in New York City has 32 such projectors.

In his final statements he stated that Temple has not yet "set-up" for color TV, and probably film will remain black and white for some time to come.

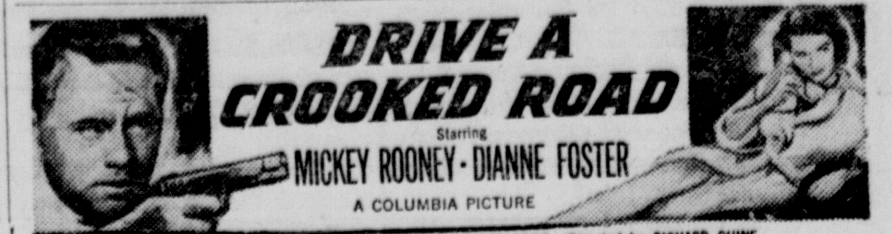

Johnson was introduced by Bill Burns, program chairman for the day.

The 28 members present welcomed seven guests to their Wednesday meeting, four from Rockdale, two from Waco and Drake McLane of Cameron.

Mrs. O. S. Collins of Clarkson visited in Cameron Wednesday, September 22.

Restore the soil - restore it. Erosion is a costly robber.

Mr. and Mrs. Barton Smith of Temple were guests in the home of Mr. and Mrs. Lester Glass Wednesday night, where they were honored with a dinner party.

HEALTH IS VITALITY

CONTINUOUS HEADACHES:

CASE 358: A man, age 52 years, came to the Boyce Clinic suffering with continuous headaches for the last 7 years. A scientific analysis and spinal X-ray examination located a subluxation at the base of the skull causing these headaches. Our analysis also found him weak, very nervous. He reported dizziness, nervousness, rapid and pounding heart. Chiropractic adjustments restored spinal alignment and removed nerve interference. When discharged, this case was free of pain and other symptoms.

AGREED:

U. A. Lyle, M. D. wrote, "I believe Chiropractic to be the most scientific method of adjusting real cause of disease, thereby allowing nature to resume normal action, which affects the recovery of the patient from bodily ailments."

U. A. LYLE, M. D.

LOW BLOOD PRESSURE:

CASE NO. 13: This man, age 29 came to a Chiropractic Clinic complaining that he was "weak, tired and run down." Examination revealed his blood pressure was 98. He also had severe neck pains that extended into the shoulders. These pains caused him to have frequent, severe headaches, a sick and upset stomach and almost complete absence of appetite. Spinal X-rays revealed the cause of his troubles. Chiropractic adjustments were begun at once. After a recommended period of Chiropractic service his blood pressure was up to 115, his energy and appetite had returned and he reported no headaches and felt "just fine."

GALL BLADDER TROUBLE:

CASE NO. 453: This man, age 41 years, came to the Boyce Chiropractic Clinic reporting that a medical examination, including an X-ray of the gall bladder area showed gall stone present and an operation was recommended. He decided to try Chiropractic first. Our complete three-day examination was made and the cause of his trouble located. A period of Health Service was recommended and after completion of this service he returned to the medical clinic for a check-up. The second examination revealed that the gall stones were no longer present. He was again in good health. He continues in good health by periodic visits to this clinic.

AGREED:

A. A. Gregory, M. D., wrote: "Under spinal adjustments, acute diseases are cut short and chronic diseases recover which have been believed to be incurable."

Twirlers Of Yoe Band Mostly First Year Students; But Already A Success

One of the main parts of the Yoe High school Band, directed by Francis Cox, is the twirling section. Four of the five girls in the twirling positions started twirling for the first time this past summer. By their competence and the intricate routines they practice on the field their proficiency is proved. The batons, twirling in unison, give an added attraction to the 91 piece band noted for the quality of its music.

Nancy Kubish, the head twirler, is the only one of the girls who has been in the section for more than a year. She is a senior student, 17 years old, had been a member of the band for three years. She stated that she likes band work very much and is working hard to help make the twirling section a success.

Joyce Edmonds, 16 years old, a Junior Student, has been a member of the band for two years. Last year she was in the playing section. Her instrument being the Glockenspiel. This is her first year of twirling and already professes her love of twirling.

Joyce Wilkerson, 16 years old, also a junior, is also a first year twirling student. She attended the twirling school during the summer and is already teaching the other twirlers few tricks she learned.

LaNett Thweatt, 15 years old, is another Junior class twirler. Her main interest other than twirling

is swimming. She is already mastering the complicated art of the baton and says she hopes to be a member of the twirling section for another year.

Peggy Burke, the only Freshman twirler, is only 14 years of age, but holds her own in the twirling section. She is a veteran band member having had experience for one previous year. She also plays the French Horn.

Practice is still continuing every evening.

Heart O' Texas Council Finance Oct. 25 - Nov. 5

The Annual Council Finance Campaign of the Heart O' Texas Council, Boy Scouts of America will be conducted this year October 25 through November 5, announced W. D. Cooper of Gatesville, Council Finance Chairman. Plans are under way at the present time in the selection of community chairmen for over forty different communities of the nine county area of the Council. Scout campaigns will be held in all communities where the Boy Scouts are not a participating agency of United Fund, Community Chest, or Community Fund Drive, such as Temple, Belton, Waco, Killeen, and Ft. Hood.

The Campaign Goal this year for the Heart O' Texas Council is \$75,085.00 which was determined and set by 55 Civic and Scouter Leaders of Central Texas on June 9 at Camp Tahuaya. The budget this year is \$8300 higher than last year's budget, which is due to a 20 percent increase in membership of the council and to the requirements of increased service to serve the increased membership. The camping program of the council increased 33 per cent during the past season. The training program for all volunteer leaders is being stepped up to meet the needs of the 2200 volunteer leaders serving over 6000 boy members.

Mr. Cooper stated that the council is going through a tremendous increase of activities and growth which placed greater requirements upon the Council. Further, that an ever increasing number of boys were becoming eligible for scouting each year, and that the Council budget needs must be met if we are to fulfill our obligations. We believe the people of Central Texas will respond to the needs of scouting in the Annual Budget Campaign.

Over 156 Are Promoted In Baptist S. S.

While public schools are just getting started on another year's term, Baptist Sunday Schools and Training Unions just completed their annual promotion day.

The big day for Baptist youngsters and their parents was observed in 3,519 Baptist General Convention of Texas churches on Sunday September 26.

Some 156 promotions were made in the local Baptist Sunday School classes, with 80 officers and teachers elected. The enrollment to date is over 400.

Thirteen from each of three Nursery departments were promoted: 20 (4 to 5 year olds) were promoted from the beginner department; 20 from the primary department;

20 from the Junior I department; 20 from the Junior II department; 13 from the Intermediate department and 21 from the Senior Department.

Just like the closing day of public schools in May, Baptist pupils Sunday said good-by to their teachers and sponsors. But unlike public schools, there will be no long holiday. Pupils will meet their new Sunday School teachers and Training Union sponsors on the same day they leave their old ones.

In many Baptist churches, special programs mark promotion day. Graduating pupils are presented with certificates of promotion and honored in assembly or church programs. Some churches present Bibles to pupils who are being promoted from the Primary to the Junior Departments. And some churches present special awards to pupils who have a perfect attendance record for 52 Sundayays.

Andrew Q. Allen, Sunday School secretary for the BGCT, estimates that at least 200,000 of the near million Sunday School pupils will be promoted. And T. C. Gardner, BGCT Training Union director, believes that 100,000 of the 400,000 Training Union members will go to another union.

Bulldogs Beat Brenham Bears By Score 19-0

Cameron O. J. Thomas high school Bulldogs barred their teeth at the Brenham Bears Friday night and came out of the tussel with a 19 to nothing win.

Bulldogs stayed on their toes and the toes of the Bears all the way through the game, with their defensive and offensive plays running the ball over the goal line three times.

The Brenham boys tried all evening to find the solution to the John Campbell-James Turner combination, but the boys continued to click and rolled up two touchdowns during the first two quarters.

Each team fumbled on their first play of the game, but that was no indication, since Cameron had only two fumbles and Brenham three during the entire evening.

After the gridiron got too hot

for the Campbell-Turner partnership, Campbell found himself another receiver in James Turner, hard-running right-end, in the first minutes of the third quarter, for the third and final touchdown of the evening.

Bulldogs penetrated the Bear line again during the third quarter but lost the ball on a fumble on the 12 yard line.

Coaches W. J. Anderson and E. L. Aycox sent in their second string during the final quarter and the boys, James Ellison, Lawrence Roberts, Booker T. Green and Edward Boyd penetrated the Bear wall with ground plays but were stopped on the 10 yard line.

Coach Anderson said that the offensive plays were successful in a large part due to the untiring efforts of Debose, hard-tackling fullback.

This Friday night will see the beginning of the O. J. Thomas conference games with the Bulldogs meeting the Taylor team on the local field.

Tickets will be on sale in the principals office at the school.

THIS IS DR. LEGEAR "I HAVE AN IMPORTANT MESSAGE FOR THE FARMERS OF THIS OFFICIALLY DECLARED DROUTH DISASTER AREA"

"We of the Dr. LeGear Medicine Company want to help the farmers in this disaster area... the same farmers who for over 60 years have been buying and using Dr. LeGear Products. Today, you farmers need our help because your livestock and poultry are suffering and if they are not properly cared for, the financial loss will be greater and the time for recovery even longer. Drouth always results in increased disease among livestock and poultry. Because of this it is more important than ever that the health of livestock and poultry be guarded and parasites and other diseases be controlled.

Yours for better animal health,

D. H. LEGEAR, D. V. M.

Want to make the Beautiful Buy?

You can't beat success in an automobile for proof of value. So take a look at the national sales figures and you find this fact: Buick today is outselling all other cars in America—regardless of price class—except two of the so-called "low-price three." And when you look at the "tomorrow" styling of this glamorous beauty—when you try it for V8 power, for room, for comfort, for ride—and when you check its low delivered price—you have all the reasons for Buick's soaring success.

Want to get the Top Allowance on your present car?

The more cars we sell, the better deal we can make with you. So with our tremendous volume right now, we can offer you more money as an allowance on your present car when you trade it in for a new Buick. That means we're passing our success on to you where it counts—in the fewer dollars you pay for this dazzling new Buick.

Want to be sure of a High Resale Value?

You can see for yourself that Buick today is graced with modern beauty—year-ahead styling that's bound to stay fresh and new-looking for years to come. It's what the other cars will come to in the future—even to that broad panoramic windshield that's on every new Buick today. So you can be sure that you'll trade high later when you're ready to resell the Buick you buy right now. Come in—this very week—and make the buy of the year in Buick. You'll find you're way ahead now—and at trade-in time well in the future.

FOOTBALL —

It was Quarterback Thomas Urbanosky who ran back and gave the Yoemen a safety and two points rather than risking a block of their punt on the 20 yard line. The Yoes were in mid field as time ran out, and Caldwell had their upset victory, 13-9.

Rettig was the powering player for the Cameron team while Don Schignt showed excellent football for the Hornets. Other standouts for Caldwell were Herbert Fedora, Billy Baron, and Perry Schwierzke.

Team captains for the Yoemen Friday night were Joe Lee Heitman halfback and Albert Mondrik, a Yoe end.

TRADE IN CAMERON

FIREMEN —

eron will deliver the principle morning address.

The afternoon session will begin at 1:30 with Honorable James K. Ebbetts, District Judge of Belton, giving the main address.

New officers for the coming year will also be elected at the afternoon session and President Norris will award an attendance cup to the town having the largest number present at the convention.

Members will then vote on where to hold the convention next year and the meeting will be adjourned to the courthouse lawn where the highly contested Pumper Races will be held.

Only volunteer firemen will be eligible to enter the Pumper Races with a first prize of \$50 to be awarded, second prize \$30 and third prize \$20.

Ladies will also enter the races with a first prize of \$15 to be awarded, second prize of \$10 and third prize of \$5.

After the races the firemen and their families will adjourn to the K. C. Hall where a barbecue with all the trimmings is being planned by the local firemen.

Working on the convention ar-

rangements are Lee Marek, Jr., president of the local organization, with John A. Smith, Jr., in charge of all committees. Bill Richter will be in charge of the drinks with Henry Seibman serving, Narvie Caperton is head of the arrangements committee, E. A. Camp is chairman of the program committee, Jerry Mikula will be in charge of the pumper races, Don Humble will handle the registration and J. Andres is in charge of publicity. Towns to be represented at the meet are Gatesville, Rosebud, Moody, Taylor, Bartlett, Thorndale Llano, Bremond, Lampasas, Elgin, Mart, Burnet, Killeen, Round Rock, Harper, Clifton, Granger, Fredericksburg, Rockdale, Teague, Belmead, Oaklawn, Brenham, Belton, Hearne, Lott, San Saba, Marble Falls, Lometa, McGregor, Brownwood, San Marcos, Bellville, Seguin and Calvert.
